county, has resigned, to take effect September
lat. He will move to Scranton, Pa.

TO HAVE CONVENTION.

B. Y. P. U. in Virginia to Hold One During the Year.

One During the Year.

(Special to The Times-Dispatch.)

LYNCHBURG. VA., August 8.—The Executive Committee of the Baptist Young People's Union of Virginia, at a meeting held here yesterday, decided to hold a State convention before the close of the year. The exact time and place was not decided at this meeting, but it is expected that the meeting will be held during the month of October.

It was arranged that a State convention be held at Newport News during the past spring, but about the time for preparations for the convention to start, the churches there decided they could be the convention of the parations for the convention to start, the churches there decided they could be the convention and asked that it be held elsewhere. After the thing the churches of Hampton offered to enter the churches of Hampton offered to enter the churches of Hampton offered to enter the churches of the committee will decided hold the convention at Hampton, though nothing has been done with that end in view, as yet.

This action of the committee seems to put an end to the report seems to put an end to the report sent out from Newport News that an effort would how made to disband the union. The State officials here have heard nothing of the report, except what has been in print, and they are opposed to anything that will dispose of the State union.

Industrial and Analytical Chemistry

The demand for practical chemists, grad-ates of the Schools of Chemistry of the unter of the schools of Chemistry of the University of Virginia, exceeds the supply. All who have thus graduated within the past few years have been promptly located as chemists for iron furnaces, phosphate works, sugar and oil refineries or similar industries. An industrious and intelligent young man, well trained to study, may make the course in one year. For further information, apply to
